Information

FIND BEAUTY IN EVERYDAY

The matt finish contributes to improve the variations in nuances, textures and veins typical of natural stone surfaces. In addition, by increasing the ability of the piece to absorb light, its application achieves spectacular results in open spaces and areas with natural light.

51M8068

MATT
50 * 100

The minimal imprint typical of concrete remains but takes on softer shades and lights up your bathroom with the Natural decor.

Magnificent grain that draws a surprising and full of nuances graphic. Play of depths thanks to its greyish effects in different intensities that mark its marble essence.

51M8063

MATT
50 * 100

Passion for cement. Infinite possibilities to create industrial, Nordic, urban, outdoor environments, among many... It thus becomes one of the most welcoming materials.

A collection with personality that complies with excellence the most demanding demands, being the best alternative to projects of great level and wingspan.

An innate eye for style and a great ability to combine colors and materials make unique this private residence in this project.

51M8062

MATT
50 * 100

A contemporary brand that satisfies every style need with a strong, durable and beautiful ceramic product.

51M8067

MATT
50 * 100

Respect for the environment and collaboration with the society in which our activity is carried out, in a permanent exercise of social responsibility.

The characteristic of this design is the contrast between colors of the same tone.

Teraqua

The wise choice of mix of materials makes the rooms warm and welcoming without betraying the clean contemporary design.

51M8066

MATT
50 * 100

Teraqua
