Information

Matte glazes are very similar to any room
 It is important to consider the size of the house
 And the lighting of your bathroom space is possible
 After choosing your fixtures, decide on your tiles

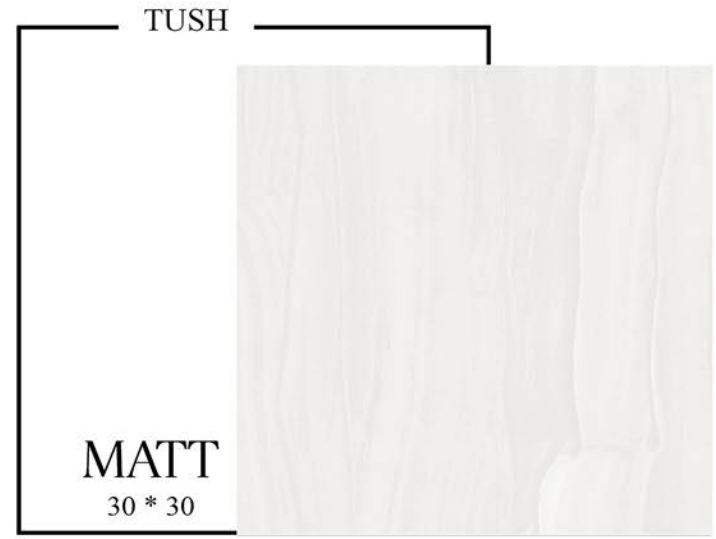

And certain styles of fittings work better with them Different coverings of traditional suites look beautiful When with tiles of works of art or The Winchester range is their highly reflective glaze Brilliant to create the illusion of extra space.

While Victorian floor tiles are popular in terms of color, colors have seen a further increase in recent years. Contemporary colors such as gray and beige, these tones are perfect for creating a new heritage style.

With this in mind, we wanted to offer more choices in different colors, so that you can create impressive and stylish and truly timeless Victorian floor tile patterns in a range of fresh and new colors. Last year we launched the new

WEEK

MATT
30 * 30

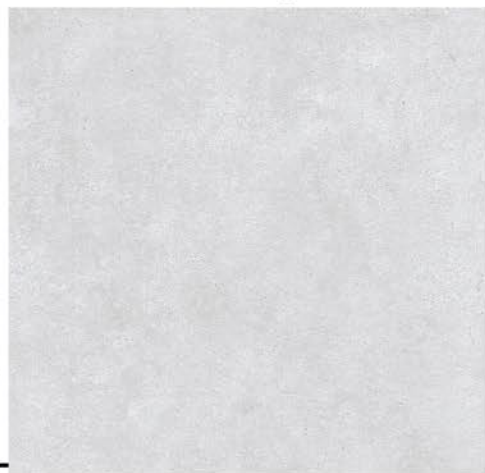

There is something truly beautiful about the English classics Heritage-style bathrooms are usually muted in neutral tones Or endless black and white, this type of bathroom tile has Always stylish is our range of Victorian floor tiles A collection of suitable patterns and colors to create lasting style

Many textures are trapped in a material that today has become a great symbol of modernity, visible both in the urban context and as an aesthetic solution for interior projects.

CEMENT GRAY

MATT
30 * 30

Porcelain concrete floor and wall tiles flaunt the material, but essential textures with high visual impact are provided in the cool gray color range. This clean, minimalist look has a great effect, perfect for those looking to create a simple yet lived-in space full of character, combining this with the excellent technical performance typical of porcelain tiles.

DIMO
Gray

MATT
30 * 30

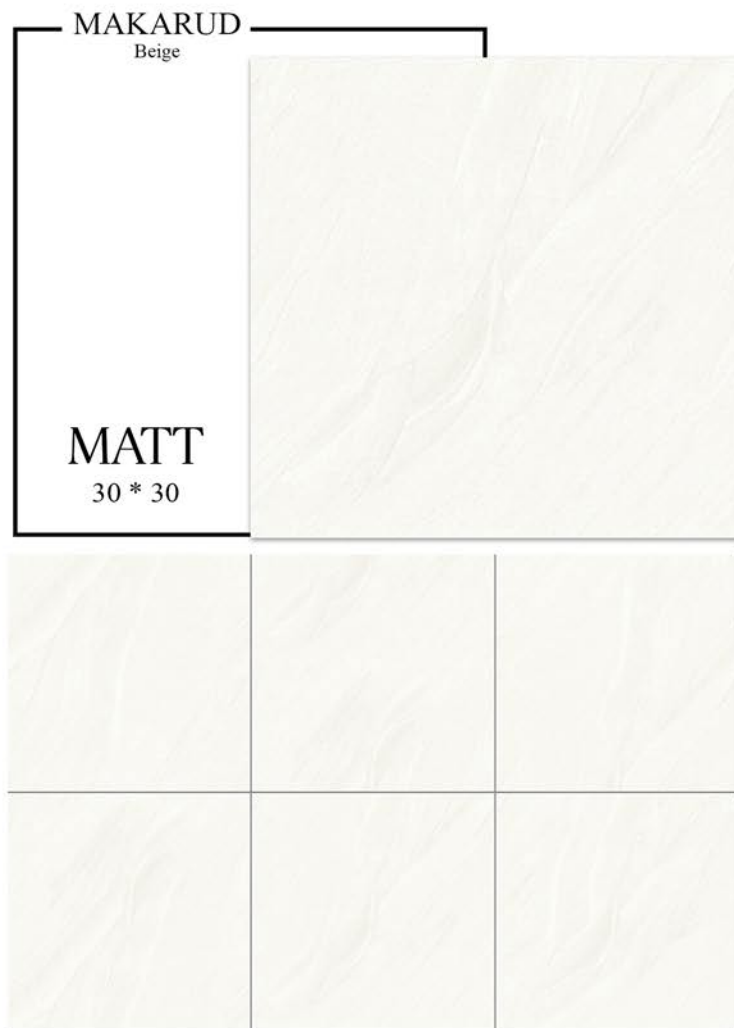

Our tiles are sourced from the highest quality materials and manufactured to the strictest standards, ensuring that they will last for years to come. They are also easy to clean and maintain.
